Re: **Nomination for Life Membership**

Dear Col,

We have great pleasure in nominating Mark Jones for 'Life Membership' of the Chelsea Football Club Inc.

Mark has been a high profile and significant contributor to our club for over 20+ years when his journey began in 1996 when he accepted the role of Chairman of Selectors (CoS) under President Noel Hopgood and Coach Dale Carpenter.

The 1996 CoS role triggered Mark's 20+ years of dedicated commitment to our Club from an outstanding and a much-respected club person, as his contribution is hereby listed:

Match committee roles:

- Chairman of Selectors to Coach Dale Carpenter, 1996, 97 - 1998,
- Chairman of Selectors to Coach Steve Harrison, 2008, 09 - 2010
- Chairman of Selectors to Coach Jason Chapple, 2011 - 2012. (Total years CoS: 8 yrs.)
- Opposition Forward Scout, to Coaches Brett Bowey, Tim Scott Brannigan, Paul Carbis, Brett Dunne, James Brain (Total years: 12 yrs.).

General committee roles:

- Vice President, 1997, 98, 1999.
- General committee, 2005, 06, 2007.
- With wife Kaye operated Thursday nights Kitchen from 1996-2010, (Total: 15yrs.)

Profits made from the Kitchen that Mark and Kaye produced were given back to the Social-Club to be used for improvements to the Kitchen and its facilities etc.

Mark gained much respect from within our Club, from our Coaches, players, committee and supporters as indeed he is known and respected throughout the Mornington Peninsula for his work as a forward-scout, being an astute judge of football and footballers and for his 'gentleman' approach to all he comes in contact with.

We the undersigned believe Mark's outstanding contribution to our Club has not only bestowed on himself much respect from his peers but also, he has generated much respect for our Club for the way in which he has represented himself on behalf of the Chelsea Football Club Inc to the opposition over many years.

We trust you and your Board see fit to accept this nomination for Life Membership as being one truly deserved.

Your sincerely
